

Founder's Office SCM Integration

Job Title	Founder's Office – SCM Int.	Location	Greater Noida
Department/Group	Management	Position Type	Full Time
Job Description			
Role Overview We are looking for a high-ownership, execution-focused Associate to work closely with the Founder in driving sales operations, business development, and supply chain coordination. This is a cross-functional role for someone who can wear multiple hats—ensuring alignment between CRM, ERP (Zoho), sales, and procurement. This role is ideal for someone who wants to learn how a company is built from the inside out. VoltWorks VoltWorks Technologies Private Limited is a dynamic company at the forefront of the Indian electric vehicle industry. Founded by talented alumni from prestigious institutions like IIT Delhi and IIT BHU, we are driven by innovation and collaboration. With our German and South African teams, we are constantly solving challenges and pushing the boundaries of motor and controller development. If you're ready to be part of our exciting journey, we invite you to come aboard! Key Responsibilities 1. CRM & Sales Coordination • Work closely with sales team to maintain and update CRM (Zoho CRM) • Track leads, follow-ups, closures, and pipeline hygiene • Ensure data accuracy and generate periodic sales reports • Act as a bridge between founder and sales team for execution tracking 2. Business Development Support • Assist in identifying new leads, partnerships, and opportunities • Support outreach, follow-ups, and meeting coordination • Prepare proposals, decks, and basic commercial inputs • Conduct basic market and competitor research 3. ERP (Zoho) Management • Manage sales and purchase workflows in Zoho • Ensure proper documentation of orders, invoices, and inventory movements • Identify gaps in ERP usage and improve process adherence • Coordinate with internal teams to ensure data consistency across modules 4. SCM & Operations Support • Assist in procurement planning and vendor coordination • Track order status, dispatches, and delivery timelines • Help in demand-supply alignment with sales forecasts • Support basic inventory planning and coordination
